

Gymnastics East

Gymnastics East is looking to combine efforts with local elementary school PTA programs in hopes of creating a fundraiser that schools can benefit from. Gymnastics East is a local, family run gymnastics organization that has been in Issaquah for over 30 years, offering classes and programs for kids at any level and age. We exist to make a difference in the life of your child. Our purpose is to develop happy, healthy, confident children. With that, we would like to host open gyms in conjunction with you and your PTA that children in the elementary grades can participate in. We invite them to come enjoy the fun aspects of gymnastics including bars, beam, floor, and vault! We hope that you can join us in creating this event, with the help of your PTA!
